Simple Website Design Price List

Simple Web designs on line helps you create a simple and unique website that will help your company have web presence by placing your company on the World Wide Web.

OUR GOAL:

Our goal is to help you to design your simple and unique website to suit your purpose without breaking your pocket. The designs contain basic 4-5 pages static websites with your unique content-logo, pictures and wordings. Hosting for one year, quarterly update of content and one email address is included in your total simple web design cost.

TIME FOR PROJECT:

The entire simple web design process is designed to be completed less than 4 weeks.

We will usually finish designing and publish your simple web design within 3 weeks from the date you submit the Website design form and make your second payment(if all other payments are made on time and to schedule).

PRICE SCHEDULE:

For your simple web design the 4 installment payments are as follows:

1st payment:

N5, 000.00 (Five thousand naira) **OR \$40 (Forty dollars)**

Reserve and confirm domain name and send the simple web design form to client.

2nd payment:

N25, 000.00 (Twenty-Five thousand naira) **OR \$40 (Forty dollars)**

Design the simple website with information from the simple web design form and send draft website to client for preview.....1 week

3rd payment:

N25, 000.00 (Twenty-Five thousand naira) **OR \$170(One hundred & seventy dollars)**

Make clients observations and comments corrections to web design and send back to clients.....1 week

4th payment:

N25, 000.00 (Twenty-Five thousand naira) **OR \$170(One hundred & seventy dollars)**

Launch and Publish website and submit domain for search engine placement.....1 week.

TOTAL COST: N80, 000.00 (Eighty thousand naira) **OR \$550(Five hundred & five dollars)**
